Background and Discussion: As a constitutional subdivision of Colorado state government, Arapahoe County can only exercise those powers specifically expressed in statute or in the constitution. Arapahoe County contracts with Romberg & Associates for state advocacy activities and the director of human services, the county attorney, the director of community resources, director of public works and the director of communication and administrative services serve as staff liaisons for federal and state government relations. The Board adopted 2021 legislative principles describe the County's underlying interest on specific issues. These principles serve as a consistent guide for the county in developing positions on federal and state legislation, rulemaking, and proactive issue advocacy. During session, the County publishes bills of interest and any stated positions on the county's website, [arapahoe.gov/BOCC](http://www.arapahoe.gov/BOCC) <<http://www.arapahoe.gov/BOCC>>.
