

Arapahoe County's Digital Accessibility Plan

Ensuring Inclusivity and Compliance
for All Employees and Residents

Key Objectives and Focus Areas

1. Ensure compliance with ADA Title II, HB 21-1110, and WCAG standards.
2. Train staff on creating accessible documents and content.
3. Identify and remediate high-risk and high-impact documents in CMS.
4. Ensure existing applications and new application procurements meet accessibility requirements.
5. Provide alternative access methods for services where barriers exist.
6. Foster a culture of inclusivity and long-term sustainability.
