Focus Area 4: Workforce & Community Prosperity

Definition: Develop a thriving workforce and inclusive economy that supports people, businesses, and employees.

Why this is important: A strong and engaged workforce drives economic opportunity and community well-being. We are committed to building a **skilled workforce** that is well-supported and prepared to meet community needs. By ensuring **competitive wages**, **training opportunities**, and **equitable access to resources**, we foster long-term career growth, business success, and economic mobility.

Human Resources Look Back 2019-2024

Areas of Opportunity

What opportunities/efficiencies do you see for your office/department if program/service level/project needs **are met** through 1A funds or other resources?

- “Better” coverage in all compliance areas
 - Thoroughly support the collective bargaining process/agreement implementation/County Attorney’s Office
 - Coverage & stickiness to DEI and leadership programs
 - Increase engagement through community involvement
-

Challenges/Concerns

What challenges/concerns do you have regarding 1A funding or other resources for any of your office/department funding items?

- HR and the County Attorney's Office will be "challenged" in the compliance area
 - Losing the "MO" gained in DEI
 - Continuing to play catch up on internal requests
-
