EXHIBIT A SCOPE OF SERVICES

DP agrees to assure accountability for performance of its service and financial obligations as follows:

1. DP will continue to comply with applicable state and federal laws and regulatory requirements for programs and services provided with DD Mill Levy funds that are subject to those requirements, except that separate data systems exclusive to County funded services will be established to ensure that County funds do not supplant federal, state, or school district funding obligations. Documentation of such regulatory compliance will be provided to the County upon request for any program or service supported with DD Mill Levy funds.

2. Developmental Pathways will separately track the expenditures funded by Arapahoe County mill levy dollars and generate a report that clearly identifies the recipients of these funds as Arapahoe County residents. The tracking method shall clearly differentiate Arapahoe County mill levy dollars from all other sources of funding (e.g., Douglas County mill levy dollars, State or Federal funds). This shall be verified by DP's auditors annually.

3. DP agrees to provide to the County, during the first quarter of each year, a mill levy accountability report regarding the previous year. DP shall present this report at a meeting with the Board of County Commissioners. This report shall include, but not be limited to:

A. Data regarding total enrollment into services, by service category for residents of Arapahoe County, separated into those funded through State Services and those funded through Mill Levy funds.

B. Data regarding service levels in actual numbers and percentages, by County and by service category, compared to known need for services

C. Data regarding staff turnover rates and financial stability of DP, including number of months of operations in unrestricted fund balance.

D. Data that details the number of Arapahoe County children, by age group, served with the DD Mill Levy money.

E. Data that details the number of Arapahoe County individuals or families served with Mill Levy money by program, the average yearly direct service expenditure per Arapahoe County individual or family and the number of Arapahoe County individuals or families waiting for services.

F. A brief description of services provided to Arapahoe County residents in reference to the language describing desired services from the original Mill Levy ballot Issue.

4. DP agrees to provide the County with a copy of its annual report and a copy of its audited financial statements when they are received from the auditors. The County also reserves the right to audit the use of DD Mill Levy funds.

5. DP shall provide to the County a list of all programmatic and/or financial audits, including the

Single Audit, conducted during the previous fiscal year regarding DP or its subsidiary organizations. The County reserves the right to review such audits after making a request in writing to DP specifying the desired audit and a reasonable time frame to provide it to the County.

6. A summary of 3 – 5 year growth projections as to DP's plans and capability to serve Arapahoe County based on future population growth and demographic changes such as an increased percentage of Arapahoe County residents over the age of 60. This summary can be contained in the Mill Levy Report or submitted separately.

7. DP agrees to appoint one County Commissioner, designated by the County, to serve on the Board of Directors of Developmental Pathways, Inc.

8. DP agrees to provide the County appropriate contacts and referral procedures for the County's use in responding to individuals, agencies, or others with questions, concerns, or complaints about services or other matters relating to DD Mill Levy funding.

9. DP agrees to provide the County, upon request, with reasonable additional information regarding administration and expenditure of the DD Mill Levy funds.

10. DP agrees to administer the DD Mill Levy funds for the benefit of County citizens with developmental disabilities and their families, and to do so in a manner consistent with the terms of the ballot issue as approved by County voters (attached hereto as Attachment No. 1).

11. DP will create, and make publically available, a visual representation of the responsibilities of, and the relationships, interactions, and dependencies between Developmental Pathways – Community Centered Board, Continuum of Colorado, Nonprofit Management Services of Colorado (NMSC) including NMSC Construction Services and Pathways Housing Corps and SUN Foundation.

12. Administrative Costs: DP agrees that for Arapahoe County Mill Levy funded costs, and on an overall basis, audited costs for the administration of Developmental Pathways, Inc. shall be correctly classified/coded and targeted at 12% of all revenues received for the fiscal year under audit. Under no circumstance shall Administration costs exceed 15% for any fiscal year. If Administration costs exceed 15%, a formal review may be precipitated by the County Commissioners or their designees. DP will include an affirmative statement regarding the percentage of their Mill Levy and overall administrative costs in writing, annually. Administrative costs percentages shall be verified by DP's auditors annually.

EXHIBIT B

In no event shall the County be liable for any expenditure in excess of the amounts actually collected.
