Subject:
Approval of Litigation Settlement Agreement

Purpose and Request:

The purpose of this request is to obtain authorization for the Chair of the Board of County Commissioners to sign a settlement agreement that has been negotiated in the pending litigation of Natalie Cadona v. Michael Magee; Case No. 2026CV30103, a review of which was previously provided to the Board in executive session.

Alignment with Strategic Plan: Economic Resilience and Stability - Support long-term economic resilience through responsible fiscal and investment strategies.

Background and Discussion: The Cadona claims were raised in her civil Lawsuit which was filed in January 2026. An agreement between all parties resolving the need for further litigation has been reached.

Alternatives: Allow the case to proceed to trial or continue to negotiate a different resolution.

Fiscal Impact: This has been previously discussed with the Board. This settlement agreement will reduce future litigation costs and future potential claims against the County and is offset by other department savings.
