Purpose and Request:

The purpose of this meeting is to provide information on the status of Colorado's state legislative session, including potential impacts to Arapahoe County, and seek Board direction on legislative positions or specific advocacy activities.

Background and Discussion: As a constitutional subdivision of Colorado state government, Arapahoe County can only exercise those powers specifically expressed in statute or in the constitution. Arapahoe County contracts with Bowditch and Cassell Public Affairs for state advocacy activities. The Director of the Commissioners' Office coordinates federal and state intergovernmental relations, in partnership with the Director of Human Services, the County Attorney, the Director of Community Resources, the Director of Public Works and Development, and the Director of Public Health (staff legislative team).

Staff reviews proposed legislation through the lens of operational and fiscal impacts to the county, in the context of the County's legislative guide (attached for reference).
