<b>STUDY SESSION ITEMS:</b>	
<b>ITEM 1</b>	<p><b>PRESENTATION AND DISCUSSION REGARDING BUILDING OUT THE COUNTY'S INFRASTRUCTURE – JOE SCHIEL, ENGINEERING PROGRAM MANAGER; JAMES KATZER, TRANSPORTATION DIVISION MANAGER – PUBLIC WORKS AND DEVELOPMENT (PWD)</b></p>

	<p>Mr. Schiel said the purpose of this presentation was to discuss how roadway and stormwater infrastructure was built within the County and to describe the role that private development played in the funding, land acquisition, and construction of public improvements. The slide presentation gave specific examples of recent instances where private developers had constructed their fair share of public improvements in accordance with County regulations, the Comprehensive Plan, and other planning documents. Mr. Katzer also discussed opportunities where future development could continue to play a role in constructing infrastructure within the County.</p> <ul style="list-style-type: none"><li>• Coordination of Development Review and Master Plans</li><li>• County Needs for Traffic Improvements</li><li>• Case Studies of Working with Partners</li><li>• Future Opportunities to Meet those Needs</li></ul> <p>There was discussion regarding grant funding provided by state and federal sources, how increasing infrastructure development costs could impact the upcoming move to provide more affordable housing here at the local level. Staff concluded there would likely be some incentive to provide tax breaks, reduced planning and engineering fees, expedited plan review time, additional height allowances along with reduced open space development fees.</p> <p>The chair thanked the team for the informative presentation and discussion.</p>
<b>ANNOUNCEMENTS</b>	<p>Ms. Orkild-Larson said the Planning Commission meeting for June 17, 2025 would include 2 public hearing items and there was no agenda yet for July 3, 2025.</p>
