| 11:00 – 11:15 | Stakeholder updates  |

**Mission:** *To provide a forum in which programmatic and systemic challenges are discussed and to realize innovative, data-driven practices that support individuals with behavioral health conditions in the criminal justice system.*

**Vision:** *To disentangle those with behavioral health conditions from the criminal justice system to the extent that public safety will allow, and to implement interventions as early as possible to reduce recidivism and promote recovery.*
