[Draft Energy Performance Contract #3](#)

The purpose of this study session was to present a plan to pursue a third energy performance contract for county facilities and seek board approval to advance this work, consistent with established signature authority. The session will include an overview of EPCs, the opportunity and benefits, the proposed process and timeline as well as an overview of the solicitation and contract language.

A PowerPoint presentation was presented, a copy of which has been retained for the record.

Background of the Energy Performing Contract was presented and how it can be utilized as a financing and contracting tool was explained.

The guidelines established in the Colorado Statutes were listed to include guaranteed utility cost savings, cash flow positive, three years of measurement and verification, and cost-weighted average life of equipment.

Staff displayed a rendering of how the EPC financing approach works. Arapahoe County's historical use of EPCs were reviewed.

The 5-step process for the EPC was presented. The process included Step 1-Client Commitment, Step 2-ESCO Selection, Step 3-Investment Grade Audit, Step 4-Implementation, and Step 5-Measurement and verification. A pricing table was displayed and reviewed for the state's audit contracts.

The potential measures and benefits for the EPC plans were listed and reviewed.

The planned timeline was presented from November 2025 to September 2027.

Commissioner asked about LED lighting and the assessment for all the county buildings.

Commissioner asked for clarification regarding the funding of the EPC.

Commissioner asked about the loss of revenue in Colorado.

Commissioner asked for clarification of the agreement with the lender and future steps.

Commissioner commented on Arapahoe County's historical use and maintenance of Energy Performance.

5-0 in favor to proceed with EPC plan and use of CEF fund balance.

2:00 PM *Development of Intergovernmental Agreements reflecting Prop 123 unit sharing with the City

of Aurora and the City of Sheridan

[IProp 123 IGA - Sheridan](#)

The purpose of this study session was to request the Board of county Commissioners to approve the development of Intergovernmental Agreements (IGAs) with the City of Aurora and the City of Sheridan to establish the terms and conditions for unit-sharing in alignment with Colorado Proposition 123 (C.R.S. § 29-32-101 et seq.). These agreements formalize a collaborative framework that enable participating jurisdictions to coordinate affordable housing production and compliance activities required under Proposition 123. If approved here, Staff will present a resolution for the Board to approve a resolution to authorize the Chair to sign the IGAs in a form approved by the County Attorney's Office once they are finalized.

Background of Prop 123 was presented for affordable housing within the county and municipalities.

Staff provided updates on projects with different municipalities for housing projects.

Staff was seeking approval from the BOCC to proceed with agreements.

Commissioner asked staff about the reporting timeframe.

5-0 in favor to proceed with staff recommendations.

2:15 PM *DRCOG Set-Aside Program for Community-Based Transportation Planning, Livable Centers Small-Area Planning and Innovative Mobility Program

3:30 PM *1A Resident Advisory Committee Review and Discussion of the 2026 Proposed Budget in Alignment with Ballot Measure 1A

Attachments: [Board Summary Report Presentation](#)

The purpose of this study session was to provide the Board of County Commissioners (BOCC) with an overview of the 1A Resident Advisory Committee's (RAC) review of the 2026 proposed budget as it pertains to 1A revenues and whether the proposed budget aligns with the intent and purpose of Ballot Measure 1A, approved by voters in 2024.

A PowerPoint presentation was presented, a copy of which has been retained for the record.

An overview and purpose of the 1A Resident Advisory Committee was presented. The purpose was to review and monitor the use of 1A funds and provide resident input.

Members of the committee presented prior meeting summaries. The committee most recently reviewed the 2026 recommended budget.

Members spoke about their work with the county and how the discussions helped address needs within the county. Key themes and observations were presented. It was a unanimous position that the 2026 proposed budget reflected alignment with the ballot measure.

Commissioner thanked the members for their work and the questions that were raised throughout the

process. Commissioner also commented on the diversity and background of the committee and their indirect impact on the budget.

Commissioner reiterated the gratitude shared from the other Commissioners and reflected on the different inputs and impacts by the members. Discussion was held about the communities view of 1A. Commissioner also asked about the committees next steps.

Commissioner thanked members for their commitment and asked about common themes that were learned.

Commissioner thanked the members and commented on the public's view of how the budget is spent.

Commissioner also thanked the members and discussed the education of the community on the budget.

Presentation concluded without a vote.

The meeting was adjourned.
