RE: Easement Transfer via Quit Claim
Permanent Easement recorded on 9/30/1994 at Book 7723 Page 407

Dear, Arapahoe County Land Development Services,

This letter is in reference to a requested Quit Claim for a Permanent Easement recorded on 9/30/1994 at Book 7723 Page 407. The property owner has requested that the easement be transferred to the City of Centennial so the easement could be modified if necessary, during the City's Land Use Process. SEMSWA requests that the easement is transferred to us in lieu of the City as SEMSWA is the City's stormwater partner. SEMSWA will accept the transfer of the easement.

SEMSWA looks forward to continued coordination on this matter. Please feel free to contact us if you have any questions.

Sincerely,

Dan Olsen
Executive Director, SEMSWA
