Agency or Organization	Permit/Approval	Status / Anticipated Submittal Date
^a Impacts to the wetland and waterbodies are discussed further in sections 2.11.3 and 2.11.5, respectively. Project activities in the State of Colorado are anticipated to qualify for coverage under the USACE's Nationwide Permit 12 without the submittal of a pre-construction notification. The Applicant is required to adhere to the general and regional conditions of Nationwide Permit 12. ^b Consultations with the U.S. Fish and Wildlife Service, Colorado Parks and Wildlife, and Kansas Department of Wildlife, Parks, and Tourism were initiated to introduce the Project and identify federal and state listed species with the potential to occur in the Project area. These consultations are ongoing.
