Board Summary Report

File #: 26-033

Agenda Date: 1/13/2026

Agenda #: 5.1.

To: Board of County Commissioners

Through: Ron Carl, County Attorney, County Attorney's Office

Prepared By:
Karen Thompsen, Sr. Paralegal, County Attorney's Office

Subject:
Approval of Stipulated Abatement Reduction

Purpose and Request:

The purpose of this request is for the adoption of a resolution approving the following abatement/refund as recommended by the Assessor's Office and expressly agreed to by the taxpayer, along with the taxpayer's express waiver of their right to a hearing before the Board's appointed referee.

Petitioner: Limitless Properties, LLC

Parcel No: 2077-34-3-20-001

Tax Year: 2024

Original Value: \$1,452,225 Corrected Value: \$1,090,000

Alignment with Strategic Plan: Good Governance - Deliver mandated and essential services with excellence.

Background and Discussion: Through C.R.S. § 39-1-113(1) provides that the Board cannot enter a decision on an abatement petition unless a hearing is had thereon except in the case of a petition for abatement or refund in the amount of ten thousand dollars or less that is settled by written mutual agreement between the taxpayer and Assessor's Office, this petitioner has executed an express waiver of their right to a hearing and stipulated to the Assessor's recommended abatement/refund approval. Accordingly, the Board may enter its decision approving this stipulated abatement/refund. In situations where an abatement refund exceeds then thousand dollars, the Board's recommended approval must be submitted to the Property Tax Administrator for further review and approval under C.R.S. §39-1-113 before the abatement can be fully administered. The abatement/refund has been recommended by the Assessor's Office and expressly agreed to by the taxpayer.

Alternatives: The Board can deny this abatement, in which case petitioner is likely to file for further appeal with the Board of Assessment Appeals.

Fiscal Impact: If any abatement is approved, a portion of the taxes collected on the property for which an abatement has been approved will need to be reduced and/or refunded if already paid, along with the payment of statutory interest on the refunded amount as specified in C.R.S. § 39-10-114.
