

Tim Dodd

Deputy City Manager

City of Englewood

Via email,

I am writing to formally confirm the mutual intent of the City of Englewood and Arapahoe County to extend the Intergovernmental Agreement (IGA) for the provision of emergency management consulting services for an additional year. This extension will maintain the same terms and conditions as outlined in the attached agreement, 2024 Emergency Management Assistance IGA.

The current agreement is set to expire on **August 13, 2025**. Both parties have reviewed the agreement and agree that the current terms and conditions continue to meet our needs effectively. Therefore, we propose to extend the IGA for another year, ensuring the continued collaboration and support between the City of Englewood and the Arapahoe County Office of Emergency Management.
