ARAPAHOE COUNTY
PUBLIC WORKS & DEVELOPMENT

Designated as Urban Residential in the Comprehensive Plan
The proposal is in conformance with the following Goals & Policies:

Policy GM 1.1 – Direct Growth to the Urban Area.

Goal EH1 – Expand the County’s Existing Economic Base

Goal GM 1.2 Encourage Infill Development and Redevelopment

Goal PFS11 – Ensure the Provision of Adequate Public Facilities and Services.

Discussion: Zoning Regulations & Approved PDP – Request to Vary from the LDC

Section 4-1.3.B.3 of the LDC allows the applicant to submit a request for a reduction of parking requirements (up to 10% of the total required parking) to the Planning Manager through a Land Development application.

The applicant requests that the County apply the 2019 parking requirements for this use because the PDP parking requirements allow for the use of subsequent parking codes adopted by Arapahoe County.

The applicant is requesting a 5% reduction based on the 2019 LDC parking requirements, which require 44 spaces; the applicant is proposing 42 parking spaces.

Staff supports a 5% reduction from the 2019 LDC parking requirements and believes 42 spaces are sufficient for the proposed use.
