

## **DRAFT MOTIONS**

### **A. Motion for Approval:**

In the case of the 2022 proposed amendments to the Arapahoe County Grading Erosion and Sediment Control Manual, I am in agreement with Staff recommendations as set forth in the Board Summary Report dated \_\_\_\_\_, and hereby move to **adopt the proposed amendments to Grading Erosion and Sediment Control Manual**, with the following two (2) stipulations:

1. Engineering Division Staff, with the concurrence of the County Attorney, are authorized to make modifications to the text as are required to correct minor textual or typographical errors in the proposed Grading Erosion and Sediment Control Manual amendment.
2. The amended Grading Erosion and Sediment Control Manual will be effective .

### **B. Motion for Denial:**

In the case of the 2022 proposed amendments to the Arapahoe County Grading Erosion and Sediment Control Manual, I am not in agreement with the Staff recommendations set forth in the Staff report dated June 13, 2019, and therefore move to **deny** the request **for the following reasons:**

*[State any reasons that the moving Commissioner has and wants to put on the record for denial or the proposed amendments]*

### **C. Motion for Continuance**

In the case of the 2022 proposed amendments to the Arapahoe County Grading Erosion and Sediment Control Manual, I hereby move to continue consideration of this agenda item to the \_\_\_ day of \_\_\_\_\_, 202\_\_ *[and state any specific directions to staff for additional information needed for final decision, if any]*.
