1. Comparable market sales indicate that adjustment to this value is correct.
2. Income approach indicates that adjustment to this value is correct.
3. Income and sales comparison approaches indicate that adjustment to this value is correct.
4. Cost, income and sales comparison approaches indicate that adjustment to this value is correct.
5. For this settlement of tax year 2021, the value will remain unchanged at \$329,180 and, based upon the property's occupancy, the County will change the classification of the property to 100% residential. Based upon this classification change, 100% of the property's total actual value will be assessed at the residential rate for tax year 2021.

**Alternatives:** Let protests proceed to the BAA for a decision. Said alternative would involve unnecessary time and expense for the County and the taxpayer.

**Fiscal Impact:** Reduction in the amount of property taxes collected for the above listed properties.

**Alignment with Strategic Plan:**

- Be fiscally sustainable
- Provide essential and mandated service
- Be community focused

**Concurrence:** The negotiator for the County Board of Equalization, the County Assessor and the County Attorney all support this recommendation.

**Resolution:** Attached is a copy of the draft resolution.
