RE: Inclusion into Fire Lane Program
South Metro Fire Department

To Whom it May Concern:

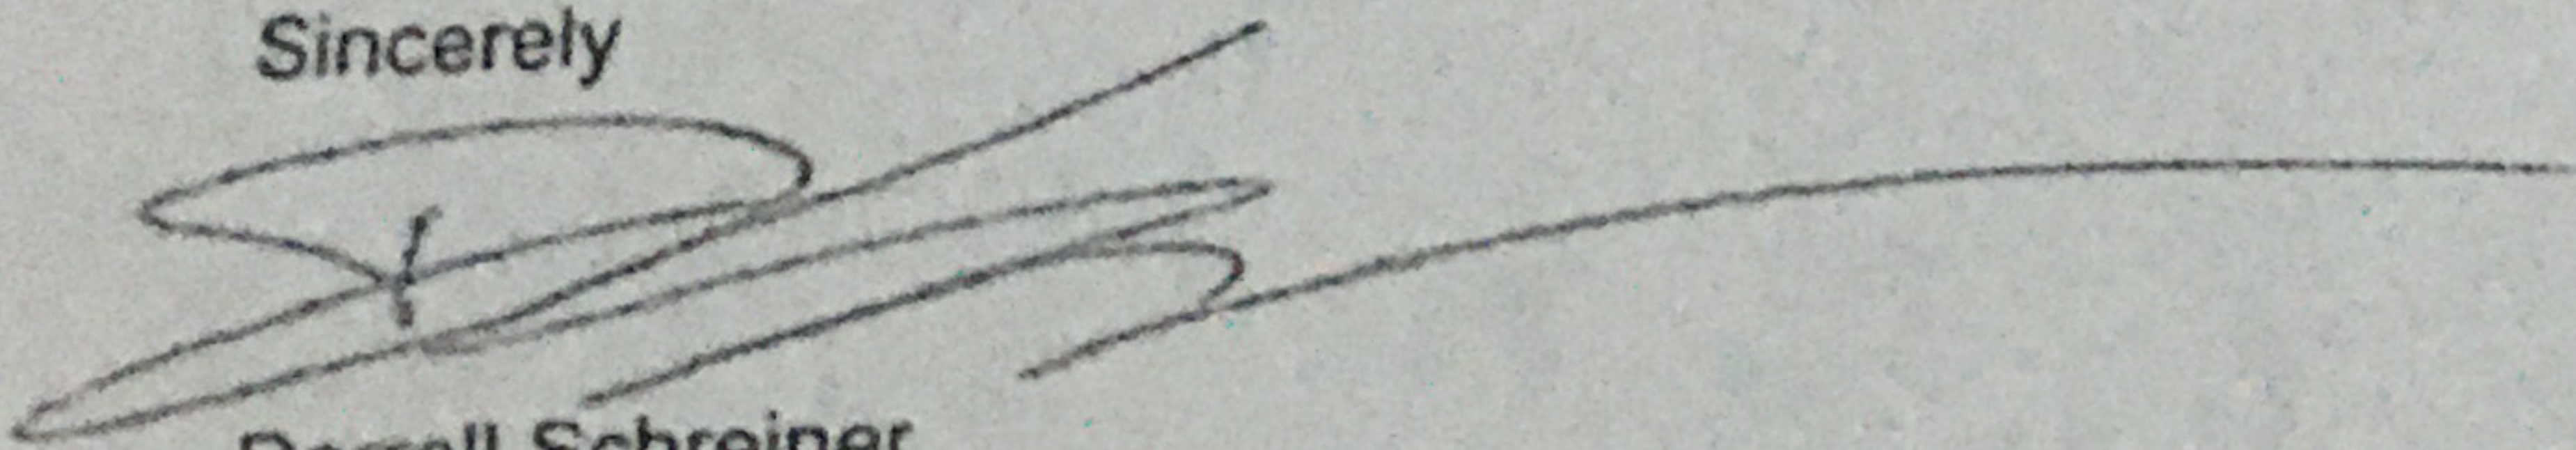

I understand that as a part of the Fire District requirement for Fire Lanes, and for Fire Lanes to be enforceable by the Arapahoe County Sheriff's department, Fire Lanes must be approved by the Arapahoe County Board of County Commissioners by resolution.

Please accept this letter as a formal request for Skymark Apartments, 1281 S Ulster, Denver to be included in the Arapahoe County Fire Lane Program for enforcement of designated "No Parking – Fire Lane" program.

The cost to install, replace, repair and/or maintain this lane and signage/stripping associated to the fire lane will be the responsibility of 1281 Highline LP, 155 S Madison St., Denver.

It is further my understanding that the responsible party will obtain an Arapahoe County Signing and Striping permit and arrange that all necessary inspections are done. It is further my understanding that unless installation is accepted, the Fire Lanes will not be added to the Fire Lane program via the County Traffic Engineer.

Sincerely

Derrell Schreiner
