11:30 AM \*State Lobbyist Meeting

**Purpose and Request:**

The purpose of this meeting is to provide information on the status of Colorado's state legislative session, potential impacts to Arapahoe County, and seek Board direction on legislative positions or specific advocacy activities. In preparation for the legislative session, the meeting will cover the following topics and recommended staff positions (in parentheses):

**Background and Discussion:** As a constitutional subdivision of Colorado state government, Arapahoe County can only exercise those powers specifically expressed in statute or in the constitution. Arapahoe County contracts with Romberg & Associates for state advocacy activities and the Director of Human Services, the

County Attorney, the Director of Community Resources, the Director of Public Works and Development, and the Director of Communication and Administrative Services serve as staff liaisons for federal and state government relations. The Board adopted 2021 legislative principles which describe the County's underlying interest on specific issues. These principles serve as a consistent guide for the county in developing positions on federal and state legislation, rulemaking, and proactive issue advocacy.

During session, the County publishes bills of interest and any positions on the county's website through a bill tracker:
