2022 Board of Equalization Referee Recommendations

**Purpose and Request:**

The purpose of this request is for the Commissioners to consider the adoption of a resolution approving the 2022 Board of Equalization decisions as recommended by the appointed referees and/or modified by the Board of Equalization.

**Background and Discussion:** Pursuant to C.R.S. § 39-8-101, the Board of County Commissioners comprises the County Board of Equalization. Pursuant to C.R.S. § 39-8-102(1), the County Board of Equalization is required to review the valuations for assessment of all taxable property appearing on the assessment roll and to make decisions concerning appeals by property owners from decisions of the County Assessor to the County Board of Equalization. The appointed referees' recommendations have been made after hearings with property owners and agents and/or review of valuation information provided by the property owners and agents.
